PROFESSIONAL EXPERIENCE

Accounting Intern — Ashutosh Agrawal & Co., India Jul 2024 – Sep 2024

- Prepared, reviewed and reconciled financial statements and management reports for 8+ clients, maintaining 100% regulatory compliance across all submissions.
- Maintained stock registers and transaction records across multiple client portfolios; coordinated financial documentation between clients and suppliers, achieving zero discrepancy in monthly closing.
- Streamlined bookkeeping workflows and supported audit preparation, cutting reconciliation turn around by 20% through process standardisation.

PROJECTS & CERTIFICATIONS

Bloomberg terminal Training — University of East London Aug 2026
Market data navigation, equity & fixed income analytics and economic indicators

Anti-Money Laundering Certification Aug 2026
Accredited Finance Courses Covering FCA/PRA/NCA regulatory frameworks, FATF global standards, CDD, EDD, SAR preparation, transaction monitoring, risk-based compliance approaches, and AML governance frameworks

Goldman Sachs — Risk Management Job Simulation, Forage. June 2026

- Performed individual credit risk analysis using quantified financial data to evaluate personal finance and real estate lending scenarios.
- Applied critical thinking and quantitative analysis to assess financial implications and inform risk-based lending decisions.

JPMorgan Chase — Investment Banking Job Simulation, Forage Feb 2026

- Identified an M&A target aligned to client strategic and financial criteria; built a DCF valuation model and stress-tested it against a competitor bid and supply-chain disruption.
- Produced a client-ready 2-page summary covering company profile and auction process.

Financial Analysis — Reliance Industries Limited, India 2024

- Conducted a 3-year financial analysis (FY2022–24) using published annual reports, evaluating 12+ ratios across profitability, liquidity and leverage to surface performance trends.
- Analysed 5 revenue segments across retail, energy and telecom to assess market positioning and deliver data-driven recommendations for shareholder value improvement.

LEADERSHIP & VOLUNTEERING

Volunteer Teacher — Orphanage, India Feb 2025 – May 2025

- Designed and delivered structured maths and English lessons to 15+ children (ages 6–14) over 3 months, tracking measurable numeracy and literacy gains through weekly assessments.

Blood Donation Volunteer & Camp Coordinator — Dr Bhim Rao Ambedkar University, India 2023 – 2024

- Coordinated university blood donation camps across 2 consecutive years for 200+ participants, managing donor registration, volunteer scheduling and liaison with medical staff.
